

18TH ANNUAL HATCH PROM SPONSORSHIP INFORMATION

The HATCH Prom is an annual celebration of our communities' youth. The prom is free for local GLBT and Questioning individuals and allies, ages 13-20.

In addition to being an important rite of passage for the youth, the prom is HATCH's largest fundraiser. I hope you will support HATCH's efforts to empower local GLBT and Questioning individuals to become positive contributors to society, by sponsoring the event or purchasing tickets. Attending the HATCH prom is a great opportunity for adults to relive the magic of the past with your current partner. For those who didn't feel safe attending their own high school proms, this may be a great way to make new prom memories.
