

## 2.5.4.2 CONSENT FOR SERVICES – HOPWA/ESG & CONSENT FOR EXCHANGE OF INFORMATION & ARIES & HMIS PARTICIPATION

Client 11-Character Code													ARIES Code				

I, \_\_\_\_\_ wish to receive services provided by the Montrose Center, an agency participating in the **HMIS** for HOPWA/ESG funded services.

Use of a Homeless Management Information System (HMIS) is required by the US Department of Housing & Urban Development (HUD) for agencies that receive certain types of HUD funding and the Texas Department of Housing & Community Affairs for agencies that receive Emergency Solution Grant funding. Other funding sources may also require program participation in HMIS. This system is not electronically connected to HUD and is only used by authorized agencies. Center staff accessing the HMIS have received confidentiality training and have signed agreements to protect clients' person information and limits its use appropriately. The HMIS Privacy Policy is available upon request and is posted on the Coalition for the Homeless of Houston/Harris County website (<http://www.homelesshouston.org/hmis>). Any additional data sharing agreements providing details on how the Center handles client information beyond the baseline HMIS Privacy Policy are available through your case manager.

I give permission to the Montrose Center to collect and enter my personal, household and service information into the HMIS. I understand that the HMIS is shared with and used by other authorized agencies in Houston/Harris County for the purposes of:

- Accessing clients' needs in order to provide better assistance and to improve their current or future situations.
- Improving the quality of care and services for people in need.
- Tracking the effectiveness of community efforts to meet the needs of people who have received assistance.
- Reporting data on an aggregate level that does not identify specific people or their personal information.

I understand that my identity and my participation in the **HMIS** are confidential. I understand that no information or records associated with my case will be knowingly released to anyone or any agency that is not currently participating in the **HMIS** without my informed written consent, or a subpoena, court order or legal statute. Furthermore, I understand that an additional consent for the release/exchange of information to verify my eligibility will be required **before** I can receive HOPWA/ESG. I understand that:

- The information I give about my physical and mental health will not be shared outside the Center.
- I have the right to review my HMIS record with an authorized user.
- I am not guaranteed that I will receive requested services by signing this release form.
- All agencies that use HMIS will treat my information with respect and in a professional and confidential manner.
- Unauthorized people or organizations cannot gain access to my information without my consent.

I fully release and hold the entity(ies) administering the funding for the service(s) listed above; Coalition for the Homeless of Houston/Harris County, who is the entity responsible for overseeing and maintaining the **HMIS**; the Texas Department of Housing & Community Affairs; the Center; their Officers, Directors, Board Members, employees and agents (i.e.: volunteers, students) harmless from any and all damages, losses, liabilities (joint or several), payments, obligations, penalties, claims, litigation, demands, defenses, judgments, suits, proceedings, costs, disbursements or expenses (including without limitation, fees, disbursements and expenses of attorneys, and other professional advisors and of expert witnesses and costs of investigation and preparation) of any kind or nature whatsoever resulting from, relating to or arising out of my receipt of services.

I understand that my records are protected under the federal regulations governing Confidentiality of Alcohol and Drug Patient Records, §42 CFR, Part 2, §33 of Public Law 91-616 as amended by Public Law 93-282, HIPAA §45 CFR 160 – 164, and all applicable state and local laws, rules, and regulations; and cannot be disclosed without my written consent unless otherwise provided for in the regulations. I also understand that I may revoke this consent at any time except to the extent that action has been taken in reliance on it (e.g.: probation, parole, etc.). A photographic copy of this authorization shall be considered as valid as the original. This consent expires six (6) months after my last date of service at the Center, or \_\_\_ other \_\_\_\_\_ unless I revoke it as provided for above.

I was given a copy of the Client Handbook which includes my Client Rights and Responsibilities, the Complaint/Grievance Policy, HIPAA Privacy Act notices and procedures provided by the Montrose Center and Houston Housing and Community Development Department. I was offered an opportunity to discuss them in a language and format I understand and I agree to abide by them.

## RESPONSIBILITIES

- 1. Confidentiality:** As a client you have the responsibility to never repeat to anyone else the name or identifying information of any other clients you see at the Center. All clients deserve the same privacy from each other that the staff gives you.
- 2. Information:** As a client you have the responsibility to inform your Therapist or Case Manager when you do not understand instructions or information that you receive. If you need someone to help you complete forms, explain an instruction or read or interpret for you, staff needs to know that from you. As a client you have the responsibility to keep your Case Manager or Therapist informed about the quality, appropriateness and timeliness of services that you are receiving. The Center tries to provide services that fit you and your situation. If you have had problems with the services here you have options. Tell your Therapist or Case Manager, talk to their supervisor or fill out an anonymous survey in the lobby. As a client you have the responsibility to provide accurate and complete information about your history and changes in your condition during services.
- 3. Appointments:** As a client you have the responsibility to keep your scheduled appointments with your Therapist or Case Manager and other service providers and to notify them when you need to cancel or reschedule. All counseling services are scheduled by appointment only. If you cannot get to your appointment, please call at least 24 hours in advance. In emergencies, call as soon as you can so that we may give the time to another person who may be waiting for service.

The usual session charge will be applied for appointments not kept or appointments that are canceled less than 24 hours in advance. Clients who need to cancel a Monday appointment may leave a message with the answering service 24 hours in advance to avoid charges.

4. **Collaborative Effort and Follow Through:** As a client you have the responsibility to complete those activities that you agree to do and to notify your Therapist or Case Manager when you are unable to do so. The Center staff works hard with you. If you have agreed to make phone calls or check up on something, please complete your task. If you are unable to do so, please let your Therapist or Case Manager know as soon as possible so they may help you. As a client you have the responsibility to accept the consequences of the outcome or no outcome if you do not do your part.
5. **Obtaining Services on Your Own:** As a client you have the responsibility to notify your care manager or Therapist of services that you obtained by yourself. So we will not spend time working on a service you already have, please let your Therapist or Case Manager know as soon as possible.
6. **Needs:** As a client you have the responsibility to communicate your needs to and ask questions of your Case Manager or Therapist as quickly as possible, understanding that your Case Manager or Therapist may not be able to satisfy “last minute” requests. Many agencies close at 5:00 pm. While you can reach the Center by phone after that time, we may not be able to get in touch with another agency to help you. It is also important to keep your requests reasonable. It is not always possible to fulfill requests, particularly housing. For example, there are no sources of free apartments.
7. **Conduct:** As a client you have the responsibility to conduct yourself appropriately when interacting with staff and other clients. Inappropriate behavior includes intoxication, threats, harassment, sexual advances or comments, and physical and verbal abuse. Weapons are not allowed in any the Center buildings. If discovered, they may be turned over to law enforcement. Smoking is not permitted in the Center’s buildings. As a client you have the responsibility to give truthful information to your Therapist or Case Manager. Anyone who knowingly gives false information to their Therapist or Case Manager may lose the right to receive grant funded services at the Center. As a client you have the responsibility to keep the Center free of political candidate campaigning. No campaign materials (T-shirts, literature, cards, buttons, etc.) or speeches advertising a candidate for an active election are allowed in any the Center facility.
8. **Documentation:** As a client you have the responsibility to provide documentation needed to qualify you for services before services can be provided, such as, proof of where you live, current proof of income, and proof of HIV status if applicable. In order to provide you with grant funded services, your Therapist or Case Manager must show proof that you qualify.
9. **Fees:** As a client you have the responsibility to pay the fees you have agreed to and to notify your therapist if your insurance plan, or insurance company or income has changed. You will be responsible for paying any increase, if applicable, of co-insurance or copays incurred due to a delay in informing us of the insurance change. The Center has a sliding scale and tries to work with you in setting a reasonable fee. Once you agree to a fee, we count on that.

## 4.32.0 EMERGENCY SOLUTIONS GRANT GUIDELINES AND PROCEDURES

**The Coronavirus Aid, Relief, and Economic Security (CARES) Act moratorium** on evictions and other eviction moratoria implemented by states impact a household's ability to qualify for HP assistance under these criteria. In addition to explaining the differences between the documentation requirements for At Risk—Category 1c versus Homeless—Category 2, this document identifies how the Federal CARES Act Eviction Moratorium and other state eviction moratoria affect a household's ability to qualify for ESG HP assistance based on a landlord-initiated eviction action.

**Summary of ESG Homelessness Prevention (HP) Eligibility Criteria** There are many situations when a household may qualify for ESG HP assistance that are not impacted by an eviction moratorium. This section summarizes all ESG HP eligibility criteria. Both initial and continuing eligibility for ESG HP assistance are based on 1) Housing status; 2) Household income; and 3) Need for assistance. Housing Status: To be eligible for Homelessness Prevention assistance, an individual or family must be either:

- "At Risk of Homelessness" as defined at 24 CFR 576.2, or
- "Homeless" as defined in paragraphs (2), (3), or (4) of the definition at 24 CFR 576.2. I

- IMPORTANT NOTE** There are other situations, beyond those involving a landlord-initiated eviction action, when a household may qualify for HP assistance under At Risk—Category 1c or Homeless—Category 2. For example: an individual who is not on the lease is being forced to move out of a unit by the leaseholder within a 14-day or 21-day time period. That individual could qualify for HP assistance despite an eviction moratorium being in effect.

Here are additional resources that explain other ways that households may qualify for **ESG HP** eligibility on the **HUD** Exchange:

- At Risk Status and Income: Recordkeeping Requirements Webinar for ESG Grantees
- Homeless Status: Recordkeeping Requirements Webinar
- Determining Homeless and At-Risk Status, Income and Disability Webinar
- Understanding Program Participant Eligibility for ESG Rapid Re-Housing and Homelessness Prevention Components Homeless System Response: ESG Homelessness Prevention Eligibility During Eviction Moratoria
- **ia Household Income:**
- Normally, under the ESG program, individuals and families must have an annual household income below 30 percent of the average median family income (AMI) for the area, as calculated by HUD (see "Income Limits Data"). However, under ESG-CV, individuals and families may have an income up to 50 percent AMI for the area.
- To determine the annual income of an individual or family, the recipient or subrecipient must use the standard for calculating annual income under 24 CFR 5.609. Need for Assistance: The

costs of homelessness prevention are only eligible to the extent that the assistance is necessary to help the program participant:

- Regain stability in their current permanent housing; or
- Move into other permanent housing and achieve stability in that housing. The sections below provide more detail about eligibility criteria under the definitions of “Homeless” and “At Risk of Homelessness.”

**“AT RISK OF HOMELESSNESS” DEFINITION** An individual or family is eligible if the household: HAS AN INCOME NO GREATER THAN 30% AMI (annual ESG) or 50% AMI (ESG-CV) For more information on the income limits in your community, please see: [https://www.huduser.gov/portal/datasets/il/il2020/select\\_Geography.odn](https://www.huduser.gov/portal/datasets/il/il2020/select_Geography.odn) AND LACKS SUFFICIENT RESOURCES OR SUPPORT NETWORKS The household does not have sufficient resources or support networks immediately available to prevent them from moving to an emergency shelter or another place defined in Category 1 of the “Homeless” definition. **AND MEETS ANY ONE OF THE FOLLOWING RISK FACTORS** **The household:**

- Has moved because of economic reasons two or more times during the 60 days immediately preceding the application for assistance;
- Is living in the home of another because of economic hardship;
- Has been notified that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance;
- Lives in a hotel or motel and the cost is not paid for by charitable organizations or by federal, state or local government programs for low-income individuals;
- Lives in an SRO or efficiency apartment unit in which there reside more than two persons, or lives in a larger housing unit in which there reside more than one-and-a-half persons per room;
- Is exiting a publicly funded institution or system of care; or
- Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient’s approved Con Plan.

### **GUIDELINES for Assistance**

**Assistance from more than one provider within the same month.** Any participant found “double-dipping” (getting ESG assistance from another provider within the same month) is subject to dismissal and suspension from the program.

1.3 Participants must submit the required documentation prior to receiving assistance. Participants who falsify any documents or provide inaccurate information of any kind including, but not limited to, medical information, household size or composition, or income are subject to termination from the program. The required documents, which must be in the client’s (or legal guardian) name are:

- A. Proof of gross income of all adult members of the household (for past 2 to 4 months to current) or zero income. If claiming zero income the participant(s) must provide the following:
  - 1. Proof of when last employed, or when you last had income and what was the source.
  - 2. Or proof of how household expenses (rent, etc.) have been paid up until time of application.
- B. Current complete, signed lease / lease renewal or mortgage payment slip that indicates monthly payment and, if applicable, late charge, penalty and *Non-Sufficient Fund* fees clearly outlined by the lease. (If there are additional names on the lease proof must be provided that they are under 18 years of age (birth certificates & social security cards) or

that they are family members who are part of the household (in which case they must provide picture ID, social security cards and income information).

If no proof is available then the rent will be divided by the number of non-family adults. *If primary participant is listed as an "occupant" then proof of past and current financial responsibility toward payment of rent must be provided.*

- C. If claiming eviction then current eviction notice or mortgage default letter is required.
- D. Current utility bill in the participant's or eligible household member's name (electric, water, or natural/propane gas only when seeking utility assistance in addition to rent/mortgage, or by itself). If claiming cut-off of utility then cut-off notice is required.
- E. Completion by the manager/landlord/mortgage company of the W-9 form.
- F. Receipts of claimed expenses (such as, prescriptions, doctor/clinic/medical bills, house repairs, car repair, etc.) that are no more than 30 days old and that show they are paid.
- G. Receipt of documents must be complete by the deadline date that is determined during the appointment with the ESG housing case manager. If the deadline date passes and no contact from the participant is received, it will be assumed that the assistance is no longer needed.

#### 1.4 Rent / Mortgage assistances amounts are subject to the following rules:

- A. The amount of assistance is determined by the Assistance Calculation Worksheet.
- B. Participants with income are subject to the limit of the Fair Market Rate (FMR) and/or Rent Reasonableness as defined by HUD FMR for Houston and participating metropolitan areas and surrounding counties.
  - 1. Individuals or married couples without children qualify for the FMR of an efficiency or a one bedroom dwelling.
  - 2. Families (individuals with children or couples with children) qualify for a 2 or more bedroom dwelling (depending on the number and age of the children).
- C. Participants without income are subject to the actual amount of rent allowed by Assistance Calculation Form Worksheet.

#### 1.5 Participants who live in a, HUD assisted/rent reduced facility, or receive Housing Choice Vouchers (formerly called Section 8) rental subsidy, or any other subsidy from a federal, state or local source, may not receive ESG assistance..

## 2.0 Participant Responsibilities During the Term of Assistance

- 2.1 Participants must provide all requested documentation by the deadline given by the Housing Case Manager throughout their term on the program. Failure to provide documentation may constitute grounds for dismissal for that month's assistance.
- 2.2 Participants must abide by all provisions in their lease/loan, and must pay their portion of the rent/mortgage to the landlord/mortgage company in accordance with their lease/loan.
- 2.3 Participants must notify the Housing Case Manager immediately of any changes in household size, composition, or income. Failure to report changes may constitute grounds for disqualification of current and/or future assistance.
- 2.4 Participants must complete a **Housing Stability Service Plan** with the Housing Assistance Specialist. The Housing Plan will guide the participant to additional resources, opportunities and services (such as employment, more affordable housing, Food Stamps {Lone Star Card}, TANF, Link Up America, Housing Choice Vouchers, etc.), and with budget counseling it will increase household income and guide the participant to decrease unnecessary household expenses.

The Housing Stability Service Plan will provide the client with realistic goals so that in the long-term the client will live within their means. Failure to follow through with the Housing Stability Service Plan agreement may result in a delay or disqualification in assistance from the program.

- 2.5 Participants who have a regular case manager through another agency must have their case manager participate in the assistance process and service planning. It is the responsibility of the client, with their regular case manager, to work with the Housing Assistance Specialist to develop a plan for long-term stability (such as, seeking better income, more affordable housing, applying for Housing Choice Vouchers aka Section 8, etc.). Clients must supply the Housing Assistance Specialist with a copy of their plan that they and their regular case manager have developed.

### **3.0 Limits of Liability**

- 3.1 The lease is a contract between the tenant and landlord only. The providing agency, **the Montrose Center**, assumes no responsibility or liability whatsoever arising from the lease agreement between any ESG program participant and the landlord/owner.
- 3.2 All ESG Assistance Program Awards are contingent upon receipt of funds from the grantor. The Texas Department of Community and Housing Affairs (TDHCA) and associated community-based agencies that receive ESG funding for distribution, bear no responsibility to continue assistance to clients if the contract with the grantee is discontinued or reduced for any reason.
- 3.3 The participant understands that the ESG *Policies and Procedures* are a supplement to any obligations set forth in the lease. By signing this document, the participant is in no way released from compliance with any additional responsibilities as stated in the lease or as may be applicable through federal, state, or local law.

### **4.0 Supplemental Policies & Procedures Particular to Agency Providing Services**

ESG providers that are community-based may have some additional policies and procedures that are particular to their agency.

Such additional information may be attached to this document and is valid and binding upon approval by the TDHCA and/or The Coalition for the Homeless, and by consenting signature of applicant.

- 4.1 Client sessions are scheduled and coordinated between the Housing Case Manager and client. The case management session has a duration of sixty (60) minutes for intake and assessment, fifteen (15) or thirty (30) minutes for brief simple follow-up or fifty (50) minutes for complex follow-up. Requests to extend the duration of the session, must be established, at the time, appointment is scheduled.

**EVERY RESIDENCE/DWELLING MUST HAVE WORKING SMOKE ALARMS IN ACCORDANCE WITH FEDERAL, STATE, AND LOCAL LAWS.**

## **4.8.11.1 NOTICE OF OCCUPANCY RIGHTS UNDER THE VIOLENCE AGAINST WOMEN ACT**

### **the Montrose Center Notice of Occupancy Rights under the Violence Against Women Act**

#### **To all Tenants and Applicants**

The Violence Against Women Act (VAWA) provides protections for survivors of domestic violence, dating violence, sexual assault, or stalking. VAWA protections are not only available to women, but are available equally to all individuals regardless of race, color, national origin, religion, sex, familial status, disability, or age, actual or perceived sexual orientation, gender identity, or marital status. The U.S. Department of Housing and Urban Development (HUD) is the Federal agency that oversees that the Montrose Center is in compliance with VAWA. This notice explains your rights under VAWA. A HUD-approved certification form is attached to this notice. You can fill out this form to show that you are or have been a survivor of domestic violence, dating violence, sexual assault, or stalking, and that you wish to use your rights under VAWA.

#### **Protections for Applicants**

If you otherwise qualify for assistance under the Montrose Center, you cannot be denied admission or denied assistance because you are or have been a survivor of domestic violence, dating violence, sexual assault, or stalking.

#### **Protections for Tenants**

If you are receiving assistance under the Montrose Center, you may not be denied assistance, terminated from participation, or be evicted from your rental housing because you are or have been a survivor of domestic violence, dating violence, sexual assault, or stalking.

Also, if you or an affiliated individual of yours is or has been the survivor of domestic violence, dating violence, sexual assault, or stalking by a member of your household or any guest, you may not be denied rental assistance or occupancy rights under the Montrose Center solely on the basis of criminal activity directly relating to that domestic violence, dating violence, sexual assault, or stalking.

Affiliated individual means your spouse, parent, brother, sister, or child, or a person to whom you stand in the place of a parent or guardian (for example, the affiliated individual is in your care, custody, or control); or any individual, tenant, or lawful occupant living in your household.

#### **Removing the Abuser or Perpetrator from the Household**

HP may divide (bifurcate) your lease in order to evict the individual or terminate the assistance of the individual who has engaged in criminal activity (the abuser or perpetrator) directly relating to domestic violence, dating violence, sexual assault, or stalking.

If the Center chooses to remove the abuser or perpetrator, the Center may not take away the rights of eligible tenants to the unit or otherwise punish the remaining tenants. If the evicted abuser or perpetrator was the sole tenant to have established eligibility for assistance under the program, the Center must allow the tenant who is or has been a survivor and other household members to remain in the unit for a period of time, in order to establish eligibility under the program or under another HUD housing program covered by VAWA, or, find alternative housing.

In removing the abuser or perpetrator from the household, the Center must follow Federal, State, and local eviction procedures. In order to divide a lease, the Center may, but is not required to, ask you for documentation or certification of the incidences of domestic violence, dating violence, sexual assault, or stalking.

#### **Moving to Another Unit**

Upon your request, HP may permit you to move to another unit, subject to the availability of other units, and still keep your assistance. In order to approve a request, the Center may ask you to provide documentation that you are requesting to move because of an incidence of domestic violence, dating violence, sexual assault, or stalking.

If the request is a request for emergency transfer, the housing provider may ask you to submit a written request or fill out a form where you certify that you meet the criteria for an emergency transfer under VAWA. The criteria are:

1. You are a survivor of domestic violence, dating violence, sexual assault, or stalking. If your housing provider does not already have documentation that you are a survivor of domestic violence, dating violence, sexual assault, or stalking, your housing provider may ask you for such documentation, as described in the documentation section below.
2. You expressly request the emergency transfer. Your housing provider may choose to require that you submit a form, or may accept another written or oral request.
3. You reasonably believe you are threatened with imminent harm from further violence if you remain in your current unit. This means you have a reason to fear that if you do not receive a transfer you would suffer violence in the very near future.

OR

You are a survivor of sexual assault and the assault occurred on the premises during the 90-calendar-day period before you request a transfer. If you are a survivor of sexual assault, then in addition to qualifying for an emergency transfer because you reasonably believe you are threatened with imminent harm from further violence if you remain in your unit, you may qualify for an emergency transfer if the sexual assault occurred on the premises of the property from which you are seeking your transfer, and that assault happened within the 90-calendar-day period before you expressly request the transfer.

HP will keep confidential requests for emergency transfers by survivors of domestic violence, dating violence, sexual assault, or stalking, and the location of any move by such survivors and their families.

HP's emergency transfer plan provides further information on emergency transfers, and HP must make a copy of its emergency transfer plan available to you if you ask to see it.

### **Documenting You Are or Have Been a Survivor of Domestic Violence, Dating Violence, Sexual Assault or Stalking**

The Center can, but is not required to, ask you to provide documentation to “certify” that you are or have been a survivor of domestic violence, dating violence, sexual assault, or stalking. Such request from the Center must be in writing, and the Center must give you at least 14 business days (Saturdays, Sundays, and Federal holidays do not count) from the day you receive the request to provide the documentation. The Center may, but does not have to, extend the deadline for the submission of documentation upon your request.

You can provide one of the following to the Center as documentation. It is your choice which of the following to submit if the Center asks you to provide documentation that you are or have been a survivor of domestic violence, dating violence, sexual assault, or stalking.

- A complete HUD-approved certification form given to you by the Center with this notice, that documents an incident of domestic violence, dating violence, sexual assault, or stalking. The form will ask for your name, the date, time, and location of the incident of domestic violence, dating violence, sexual assault, or stalking, and a description of the incident. The certification form provides for including the name of the abuser or perpetrator if the name of the abuser or perpetrator is known and is safe to provide.
- A record of a Federal, State, tribal, territorial, or local law enforcement agency, court, or administrative agency that documents the incident of domestic violence, dating violence, sexual assault, or stalking. Examples of such records include police reports, protective orders, and restraining orders, among others.
- A statement, which you must sign, along with the signature of an employee, agent, or volunteer of a survivor service provider, an attorney, a medical professional or a mental health professional (collectively, “professional”) from whom you sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse, and with the professional selected by you attesting under penalty of perjury that they believes that the incident or incidents of domestic violence, dating violence, sexual assault, or stalking are grounds for protection.

- Any other statement or evidence that HP has agreed to accept.

If you fail or refuse to provide one of these documents within the 14 business days, the Center does not have to provide you with the protections contained in this notice.

If the Center receives conflicting evidence that an incident of domestic violence, dating violence, sexual assault, or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a survivor and naming one or more of the other petitioning household members as the abuser or perpetrator), the Center has the right to request that you provide third-party documentation within thirty 30 calendar days in order to resolve the conflict. If you fail or refuse to provide third-party documentation where there is conflicting evidence, the Center does not have to provide you with the protections contained in this notice.

### **Confidentiality**

The Center must keep confidential any information you provide related to the exercise of your rights under VAWA, including the fact that you are exercising your rights under VAWA.

The Center must not allow any individual administering assistance or other services on behalf of the Center (for example, employees and contractors) to have access to confidential information unless for reasons that specifically call for these individuals to have access to this information under applicable Federal, State, or local law.

The Center must not enter your information into any shared database or disclose your information to any other entity or individual. The Center, however, may disclose the information provided if:

- You give written permission to the Center to release the information on a time limited basis.
- The Center needs to use the information in an eviction or termination proceeding, such as to evict your abuser or perpetrator or terminate your abuser or perpetrator from assistance under this program.
- A law requires the Center or your landlord to release the information.

VAWA does not limit the Center's duty to honor court orders about access to or control of the property. This includes orders issued to protect a survivor and orders dividing property among household members in cases where a family breaks up.

### **Reasons a Tenant Eligible for Occupancy Rights under VAWA May Be Evicted or Assistance May Be Terminated**

You can be evicted and your assistance can be terminated for serious or repeated lease violations that are not related to domestic violence, dating violence, sexual assault, or stalking committed against you. However, the Center cannot hold tenants who have been victims of domestic violence, dating violence, sexual assault, or stalking to a more demanding set of rules than it applies to tenants who have not been survivors of domestic violence, dating violence, sexual assault, or stalking.

The protections described in this notice might not apply, and you could be evicted and your assistance terminated, if the Center can demonstrate that not evicting you or terminating your assistance would present a real physical danger that:

1. Would occur within an immediate time frame, and
2. Could result in death or serious bodily harm to other tenants or those who work on the property.
3. If the Center can demonstrate the above, the Center should only terminate your assistance or evict you if there are no other actions that could be taken to reduce or eliminate the threat.

### **Other Laws**

VAWA does not replace any Federal, State, or local law that provides greater protection for survivors of domestic violence, dating violence, sexual assault, or stalking. You may be entitled to additional housing protections for survivors of domestic violence, dating violence, sexual assault, or stalking under other Federal laws, as well as under State and local laws.

**Non-Compliance with the Requirements of This Notice**

You may report a covered housing provider's violations of these rights and seek additional assistance, if needed, by contacting or filing a complaint with **Houston Housing and Community Development, 2100 Travis Street, 9<sup>th</sup> Floor, Houston, TX 77002 832.394.6200 [hcdd@houstontx.gov](mailto:hcdd@houstontx.gov)** or **US Housing and Urban Development, Houston field Office 1301 Fannin Street, Suite 2200, Houston, TX 77002 713.718.3199**

**Purpose of Form:** The Violence Against Women Act (“VAWA”) protects applicants, tenants, and program participants in certain HUD programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. Despite the name of this law, VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

**Use of This Optional Form:** If you are seeking VAWA protections from the Montrose Center, the Center may give you a written request that asks you to submit documentation about the incident or incidents of domestic violence, dating violence, sexual assault, or stalking.

The document must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence, dating violence, sexual assault, or stalking occurred and meet the definition of “domestic violence,” “dating violence,” “sexual assault,” or “stalking” in HUD’s regulations at 24 CFR 5.2003.
2. A record of a Federal, State, tribal, territorial or local law enforcement agency, court, or administrative agency;
